Build Readership

- Ask for reviews
- Encourage purchases
- Don't have a Kindle, no problem! Use Amazon's FREE apps to read your new book on your phone or on your laptop, PC or iPod
- Gift the book to your friends
 - Click “Give as a Gift” button over near the “Buy this Book” button. Then enter your friend's email address.

Marketing yourself through the book

- Where and how do you want to be known?
 - In your local area?
 - In your profession?
 - In your region?
 - Nationally?
 - Internationally?

Marketing yourself through the book

- How to use your chapter in Seek Your Peak to market yourself
 - Your web site
 - Online marketing
 - Speaking engagements
 - Client promotion/gift
 - Promotional press releases
 - Events
 - Promote non profits

Your Website

- Website is core of your marketing efforts
- Direct people to your chapter in the book
- Use your writing, your speaking, your advertising to direct people to your site
- Add a link to Seek Your Peak on Amazon on your web site
- Put the book graphic/widget on your site as an advertising banner

Blog

- Post a article about your chapter, experiences writing your chapter
- Write an article about or interview a co-author
- Post links to the book landing page and discount code. Include book graphic
- Post comments on other co-authors blog postings about the book with links back to your site.
- Virtual blog tour

Online

- Send a special celebratory email your list and email contacts
- Promote the book in your newsletter, with link to Amazon
- Using the book to build your list
- Write articles for other people who have lists
- Write articles for other Seek Your Peak authors newsletters & websites
- Whenever you write an article for someone else, make an offer to readers – they can come to your site to get an information product or sign up for your newsletter by giving you their email
- Partnering with others online
- Co-registration – when someone signs up for something from your partner, they are asked if they'd like to sign up with you, too
- Offer something free in exchange for email address, banner on website or newsletter

Social Media

Twitter

- Highlight you as a published author and establish credibility by promoting your chapter of the book
- Tweet links to interviews about your chapter in the book.
- Send a tweet with a link to the book info page
- Customize your Twitter background with a author info and book graphic
- Hashtags #bookgiveaway #free or freebie #ebook #kindle #ebooks #BookGiveaway #FreeBook #givaway

- Post comments on other co-authors pages

Google+

- Post comments highlighting you as an author and your chapter, include discount code
- Post comments and tag your co-authors pages

Pinterest

- Post the cover image and a link to the book

Speaking & Presenting

How to sell an e-book when speaking

- Hand out a flyer for the book with information about your chapter highlighted
- Offer an additional information product to anyone who buys the book
- Offer the book as a door prize (this allows you to talk about the book even if it's not the topic of your presentation or write a description of the book for someone else to read)

How to sell your other products and services when speaking

- Offer additional information about your speaking topic to people who give you their email address
- Offer a free product for everyone who gives you their email address (this can be a virtual information product you will send them)

Speaking opportunities for your "Book Tour"

- Your local Chamber of Commerce
- Most have many opportunities for speakers
- Professional Associations
- Service clubs (Rotary, Kiwanis, etc.)
- Special interest groups (women's business groups, business development groups, etc.)
- Lunch and Learns at local businesses

Interviews

- Talk about the topic area of your book, demonstrating your expertise
- Have someone interview you, based on a list of 8-10 questions you provide them with. When answering these questions, go into as much detail as possible as this will provide you with rich content
- Each of these questions could serve as a blog post, article, audio tip or video, on its own or as part of a series
- Share nuggets from your book. This will increase interest and encourage book sales.

Virtual Blog tour

- Build relationships with bloggers in your niche
- Arrange to be a guest blogger on popular blogs in your niche and get exposed to new groups of your target audience
- Guest blogger is someone who shares an article at someone else's blog by permission or invitation. By being a guest blogger at blogs that would be of interest in your topic makes the best use of your time and marketing efforts.
- Reach out to people you have an established relationship with
- Approach blog owners that you don't yet know, introduce yourself, your book title and your topic, and mention the names of a few experts in your field whom have invited you to be a
- guest blogger on their site.

More Ideas

- Marketing to your current and prospective clients
- Feature the book chapter on your resume/bio/vitae
- Send prospective clients a copy of the book add a credibility
- Use the book as a promotional product for your current clients, email about passion, why important
- Ask your network to write a 5 star book review on Amazon.com.
- Use social media to post links to your articles, interviews and link to download the book on Facebook, Twitter
- Update your resume to include published best selling author

Additional marketing ideas

- Host teleseminars and webinars give you the opportunity to be interviewed by another expert and present yourself as a resource.
- Post a link to the "Seek Your Peak" Amazon page
- Publish a press release announcing your new book on Amazon, send to local papers and business journals, Your professional associations, Chambers of Commerce, business organizations of which you are a member, trade and professional journals.
- Use the book to build your email list. Write articles for other "Seek Your Peak" authors. Make an offer for article readers to sign up for your newsletter or enter their email address to receive free information authors' web sites and newsletters
